

Wondering what to expect in Jamaica?

Food: Some Jamaican food can be spicy but also very delicious. The water in Jamaica is clean and pure. Be prepared to be a little adventurous and try some dishes that may be a little different than what you are used to.

Dress: Please dress modestly during your trip. Jamaican women often wear dresses or long skirts and men wear collared shirts and ties to church. While working and in ministry we will wear comfortable clothing appropriate to the day. Make sure to have along sturdy, comfortable shoes as mountain terrain in remote villages can be rough.

Weather: Temperatures in Jamaica range from 70 to 97 degrees year round. Expect hot and humid weather during the day and cooler temperatures at night.

Sightseeing: One full day of your trip will include a sightseeing excursion which could include visiting YS Falls, a Black River Safari Cruise, a day on beautiful Seven-Mile Beach in Negril, snorkeling in the Caribbean Ocean, or a trip to Blue Hole Mineral Springs.

Travel documents: All that is needed to travel to Jamaica is a current and valid passport. Those under age 18 will require a notarized letter from parents.

Journey Home Jamaica

Mission Trips

Almost 75,000 of Jamaica's children are orphans. The teenage pregnancy rate is high. Fathers disappear and many young mothers cannot care for their children, often leaving them abandoned or with family who cannot afford to feed them.

We feel like God is calling us to help.

"Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their time of distress..."

James 1:27

We believe that God has a plan for the people of Jamaica.

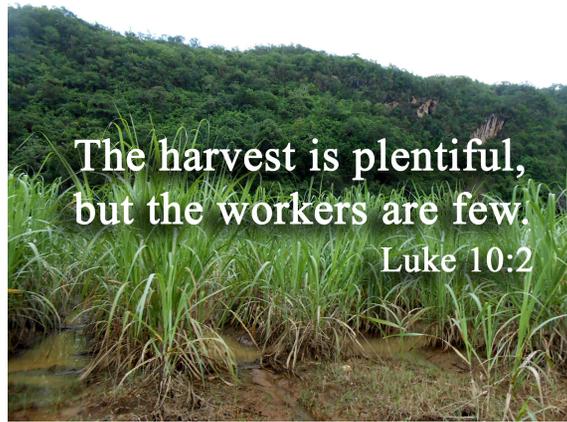

Journey Home Jamaica is a ministry formed to help care for the women and children of Jamaica.

*“Defend the weak and the fatherless; uphold the cause of the poor and the oppressed.”
Psalm 82.3*

Our purpose is to care for local orphaned children and help them find permanent, loving Jamaican families.

Our long term vision is to have several **Journey Home Jamaica** children’s homes and other facilities in different locations on the south west side of the island.

**The harvest is plentiful,
but the workers are few.**
Luke 10:2

Consider joining us on a short term mission trip!

Why? Short term missions are a powerful way to awaken your spirit to the greater things of God. Although mission trips are designed to serve others, it is really those doing the serving that gain the most. Mission trips are what God often uses to slow down people long enough to show them His purpose in their lives.
